## **Recent Projects**

### **Using Interactive Whiteboards to Raise Standards in Year 6.**

*Project Management for Athena Education Action Zone*

[http://www.standards.dfes.gov.uk/eaz/sharing\\_good\\_practice](http://www.standards.dfes.gov.uk/eaz/sharing_good_practice)

This project involved the development of Interactive Whiteboard course to meet the teaching needs of Yr 6 teachers in an area of Birmingham. The project required course materials to be available online and via CD. My role was to devise the course, develop the online hosting and CD production and part deliver the course.

## **KnowledgeBox Training Development for Pearson Broadband**

[www.knowledgebox.com](http://www.knowledgebox.com)

Project to develop a teacher training program for a newly launched digital learning system. Work involved the writing of a training curriculum that included a range of support material and directly with pilot schools in product development and training delivery.

## **mPowerNet Solutions**

[www.mpowernet.anglia.ac.uk](http://www.mpowernet.anglia.ac.uk)

Developing new training products for the educational sector. Courses developed include:

*Effective Web Design for Schools*

*An Introduction to Macromedia Dreamweaver*

*Let's Get Flash*

Harnessing the power of Macromedia Flash as a tool for teachers and learners.

*Excel for Assessment*

A comprehensive training course for schools to analyse assessment data using Microsoft Excel.

## **Partner Software Training Development & Delivery**

Project includes developing course outlines and delivering training in schools for selected software partners:

The Skills Factory – *Curriculum Complete Range*

Immersive Education: Kar2ouche
