

Lynn Bennett *BSc (Hons), Dip Soc.Admin*

Consultant

Professional Qualifications

BSc (Hons)	Geography	University College London
Diploma in Social Administration		London School of Economics

Profile and Career Summary

Lynn has undertaken a variety of research exercises for a number of different clients, both in the public and private sectors. She has extensive experience of data collection and interpretation, especially within the fields of planning and sports and leisure provision. She has undertaken telephone interviews, project appraisals and data collection and analysis projects for a number of local authorities and private sector clients and consultancies.

She has also conducted research on behalf of a number of universities and other educational establishments, including the London School of Economics, Aston University, Sheffield Hallam University and Bedford College.

She has assisted with a number of projects for Ancer Spa, including the collection and interpretation of monitoring information for grant schemes under the Rural Development Agency on behalf of the East Midlands Development Agency.

Recent Projects:

Waveney District Council - Analysis of data for open spaces assessment

Thurrock Council - Audit of open spaces for Green Spaces Strategy to comply with the requirements of PPG 17 and Visual Quality Assessments of outdoor sports provision

Aston University Sports Complex Study - Data verification of swimming provision in the West Midlands conurbation for a Facilities Planning Model analysis

Facilities Strategy- Preparation of the facilities strategy for National Governing Bodies for Bowls

Bowls Database - Telephone interviews with club secretaries for survey of outdoor bowling greens and club membership

Data Verification - Data verification for Sport England's Facilities Planning Model of sports halls and swimming pools in Nottinghamshire, Lincolnshire, Herefordshire and Tyne and Wear

East Midlands Development Agency - Project appraisals for SRB Round 6 in the Derby and Derbyshire Economic Partnership area and monitoring of Rural Development Agency grants

RegenCo - Quantitative research for Housing Pathfinder

Open Space Strategies - Research for a wide range of planning and leisure projects including Playing Pitch Assessments, and Open Space Strategies
